Join us for a fabulous week filled with making new friends, playing games, and making crafts all while dancing the week away! Each camp is a different theme so dancers won't be bored and can sign up for multiple weeks! Dancers will learn a few different styles of dance depending on the theme such as tap, ballet, lyrical, jazz, musical theater, and hip hop. Dancers can wear summer active wear like shorts and a tank top/t-shirt or dancewear and will need tap and ballet shoes, socks, and a clean pair of sneakers. Dancers may also want a smock or old t-shirt for craft time - sometimes we get a little messy! We also take a snack and lunch break so please make sure you send both, as well as water, to keep your dancer happy and energized throughout the day. On Friday of each camp, we present a performance starting at 12:30 usually with three dances we've learned throughout the week. After the show, we celebrate with some treats while showing off what our princesses and princes have created all week long.
