# WHAT TO EXPECT:

**Attire:** Dancers can wear dance attire or activewear—their choice! We prioritize dancers' confidence and comfort so they can enjoy their day best. Dancers may want a sweatshirt too. The room can cool off quickly when we aren't dancing.

**Footwear:** Please pack ballet shoes, tap shoes, socks, and clean sneakers (not muddy) daily. We will learn different dance styles throughout the day, and the shoes above best suit the various styles. We have a shoe donation system and can lend tap and/or ballet shoes for the camp week, stock permitting.

**Food:** Dancers tend to get hungry from burning off their energy while moving and grooving! Please send your dancer with an early snack option, lunch, and a water bottle. We watch clips or part of a movie related to the camp theme during our lunch break.

**Arts and Crafts:** Sometimes princesses and princes get a bit messy during camp craft time. You may send your dancer with a smock or oversized t-shirt to put on during craft time to avoid paint, glue, or sparkles on their camp outfit.

**Dress-Up Day:** On Wednesday of camp week, dancers are invited to dress up according to the camp's theme. This can be in the theme's colors or a special character outfit. Pictures are taken in the morning while dancers look fresh. Dancers can change after photos are taken or stay dressed up for the day.

**Performance Day:** We finish the camp week with a show on Friday! Parents, friends, and family are welcome to come watch. The dancers will show off a couple of dances they learned throughout the week and receive a gift bag containing the crafts they made each day, as well as a surprise gift. The performance begins at 12:15; please don't arrive earlier than 12:00.
