**Description:** Prince and princess camp is a week-long camp where dancers will get to learn different styles of dance including tap, ballet, jazz, lyrical, hip hop and more! Along with dance, each camp also includes other activities such as arts and crafts, games, singing, and dress up. Each camp is different so dancers can sign up for more than one and never be bored!

On each Wednesday of camp, dancers are welcome to dress up in a special outfit that matches the camp's theme. Individual and group pictures will be taken and given to campers along with a gift on the last day of camp.

**Performance:** On the last Friday of each camp, we will be having a mini performance at the studio showcasing a few dances dancers have learned throughout the week. The performance will start at 12:15 for morning/afternoon camps and 6:15 for the late afternoon/evening Magical Creature camp.

**What to bring:** Ballet and tap shoes will be needed daily as well as a clean pair of sneakers and socks. Some other helpful items include a smock or old t-shirt for arts and crafts and a sweater for when we take breaks. Lastly, a snack, lunch, and refillable drink is needed daily to keep dancers happy and energized throughout each day. We do not have a refrigerator in the studio but we do have a microwave.

**Pricing:** Early bird rates will be honored through March 31st. Starting Friday, April 1st, full prices go into effect.

**Morning/After Care:** Is available upon request starting at 8 am or until 1:30 pm on a daily basis or for the week. An additional charge of \$10 per day/per hour will be charged for morning OR after care. \$15 per day/per hour will be charged for both morning care **AND** after care. Activities such as coloring, puzzles, games, movies will be offered and played during this time.
